Lastname, Firstname, *Long Title; That Could Be Abbrev* (London: Fictional, 2016)

---

[1] Firstname Lastname, *Long Title; That Could Be Abbrev* (London: Fictional, 2016), p. 6. some notes. To be translated:

> that citation was followed by text then a colon.

[2]

> this citation is followed directly by a colon, and doesn't show up.

[3] Lastname, p. 8. :

> this citation is followed by a space then a colon, and shows up, but looks wrong.
